## CAREERS

### HTML Designer and Customer Support Representative

Real Magnet seeks a diligent, team-oriented HTML expert to help our customers make their emails and online communications look top quality. The successful candidate must have strong design and technical knowledge, as well as strong interpersonal skills for working with an active client base. Ability to multi-task is a key skill set. Other requirements include:

- Minimum 3-4 years experience with HTML
- Strong knowledge of CSS and the Adobe suite of products
- Excellent communications and client management skills
- Independent, results-oriented work ethic

The market for Real Magnet's services (broadcast email service and online event management) is expected to double in the next five years. And with more than 900 clients and highly skilled sales and development teams, the company is well-positioned to benefit from this increase and grow significantly.

Real Magnet is located just five blocks from the Metro in Bethesda, MD, and offers a hard-working, informal environment with significant growth opportunities.

Salary range is \$45-60k, based on experience. Benefits include health care, 401(k) and paid vacation.

To apply, send a cover letter and resume to [careers\[at\]realmagnet.com](mailto:careers[at]realmagnet.com). Please include the position title in your subject line. No calls please.
